C/f Letter No I/C-2374 dated 28-4-1946 forwarding Government Order No 3950 dated 22-3-46 sanctioning the deputation of Executive Engineer, Trunk Roads Division, Nellore to Bombay, Madras and Bangalore for inspecting certain Trunk Roads in those Provinces and States.

2. The Executive Engineer, Trunk Roads Division, Nellore in his application dated 25-4-1946 requests that he may also be deputed for fresh tramp along with other Engineer officers who are proposed to be deputed for fresh tramps. The Chief Engineer, Buildings and Roads in his letter No 4263/P.W. dated 5-6-1946 recommends that the Executive Engineer, Trunk Roads Division, Nellore may be deputed for fresh tramps with Road-making and Bridge and allied works.

3. The main idea in which the C.E.I. has recommended, in his No 3950 dated 22-3-46 the deputation of certain Engineer officers for fresh tramps, has been stated separately to Government with their No 4263/P.W. dated 5-6-1946 and orders thereon are awaited from the Board and Chief Engineers are

in favour of sending Mr R L Raju on deputation. In view of the large no of post war works that are likely to come up, drainage & other improvements that large cities like Bangalore, Mysore & Davangere require on modern lines, the large scale improvement of roads that are contemplated in the near future it would be useful to depute Mr R L Raju to foreign Countries for training in the any of the important subjects. The recommendation of the Chief Engineer may be Approved

Secy 11/7

Mr R L. Raju, I T B Engineer, Mysore has put up an application for study deputation for Foreign Training in Roads, or Drainage Both Mr C B S have expressed agreement. The question of deputation is under consideration separately The case of Mr Raju may also be considered along with others

CITY IMPROVEMENT TRUST BOARD
MYSORE

27th April, 1946
28

My dear Mr Mallaradhya,

I enclose herewith the representation submitted by Mr R B Raju, B E , Trust Board Engineer, praying that he may be deputed for Foreign training Mr Raju was posted to this Municipality last year and has worked both as Municipal Engineer and Trust Board Engineer till recently and he is now working as Trust Board Engineer consequent on the posting of an independent Officer as Municipal Engineer I have found Mr Raju to be an enthusiastic and pains-taking Officer I understand that he is a member of the All-India Road Congress, which he attended at Jaipur recently The note that was submitted by him has been forwarded for the information of Government I consider that an Officer of this type should be given an opportunity to enrich his knowledge in Engineering, particularly, in matters pertaining to roads, house-building and Under-ground Drainage, since big schemes to provide these amenities will be undertaken by the Mysore City Municipality and the Trust Board I, therefore, strongly recommend his representation for favourable consideration of Government

Yours sincerely,
CHAIRMAN

J B Mallaradhya, Esq ,M A ,

Office of the Trustee Engineer,
City Improvement Trust Board,
Mysore, dated, 25th April'46,

P.R. 25/4/46

TO

The Chairman,
City Improvement Trust Board,
Mysore

Sir,

I have the honour to state that it is learnt that some Engineer Officers will be deputed to Foreign Countries for undergoing training. I am highly desirous of taking training in Foreign Countries inorder to enrich my knowledge in Engineering. I beg to mention that I passed the B.E. Degree Examination in Civil Engineering in 1929 and joined service in the Public Works Department, Mysore in the same year. As I have still 15 years of service to complete, during which period I will have to handle big schemes in Engineering, I feel it necessary to equip myself with higher knowledge in Civil Engineering.

I, therefore, request you to kindly recommend my case to the Government for deputing me for foreign training, for which act of kindness I shall be highly grateful to you.

Thanking you,

I have the honour to be,
Sir,
Your most obedient servant,

R.L.Rao 25.4.46
TRUST BOARD ENGINEER
